Phone: 1-(242)-809-1458

Address: P.O. Box CR-55880

## Mission Statement

---

I am an 18-year-old student determined to pursue future education in the Computer Science, I am keen listener and I always have the intentions to think out the box before providing mediocre results. I strive to communicate with others, and I am always interested in hearing suggestions and other opinions.
